Better Opportunities for Single Servicemembers

U.S. AIR FORCE

Better Opportunities for Single Servicemembers (BOSS) is a dynamic Department of the Army Program that single servicemembers can join to enhance their well being, contribute to community service, and assist in the planning and execution of their own recreation and leisure.

The three pillars of BOSS are Well Being, Community Service, and Recreation and Leisure. It is designed to be the collective voice for the single servicemembers. This program supports and compliments the chain of command's mission.

U.S. AIR FORCE

Well Being

- Well Being deals with anything that affects the Single Servicemembers and can directly or indirectly influence their morale and personal growth/development.
- Quality of Life Issues that are identified or raised during the installation BOSS meetings or called in to the installation BOSS Headquarters are dealt with by JBCSM Ryan. Servicemembers are made aware to use their chain of command first.
- If an issue can not be resolved, it will be coordinated with the Army Family Action Plan (AFAP) office for format, content, and authentication.

Community Service

Military Outstanding Volunteer Service Medal

- The Military Outstanding Volunteer Service Medal (MOVSM) is intended to recognize exceptional community support over time and not a single act or achievement. Further, it is intended to honor direct support of community activities
- Community service and volunteer hours accumulated through the BOSS Program enables Servicemembers to earn the MOVSM
- MOVSM is now worth 10 promotion points and demonstrates your willingness to help

U.S. AIR FORCE

Recreation & Leisure

- Allows Single Servicemembers to get out of the barracks/dormitories
- Assist Single Servicemembers in meeting other Servicemembers in a relaxed social setting
- Recreation and Leisure trips are taken with little to no cost to the Single Servicemembers
- BOSS welcomes all suggestions you may have for a Recreation and Leisure event
