Inspector General (IG)

U.S. AIR FORCE

The Army IG System What We Do

IG's serve their commanders and organizations through four basic functions:

- Inspections
- Assistance
- Investigations
- Teaching and Training

IG's base their fact-finding activities upon standards such as laws, DOD Directives, Army Regulations, policies, and so on.

Who Can Submit an IG Complaint?

- Anyone can submit an IG complaint
 - No pre-condition to the IG
 - Considered a Protected Communication!

It is just as important to clear a subject by a thorough investigation as to prove wrongdoing

U.S. AIR FORCE

Things to “Consider”

- Use your Chain of Command!
- IGs do not order **Resolution**, they recommend
- IGs Are **Fact Finders** not Fault Finders
- Resolution is based on **facts only**
- **Be prepared** To Take “No” For An Answer
- Be honest
- Be sure you have a problem, “not just a peeve”
- Don’t expect instant action
