

U.S. AIR FORCE

JBLM Alert

- **Mass warning notification system that works 24/7, to notify personnel associated with JBLM of an emergency or significant event on the installation such as severe weather, unexpected road closures, missing persons, and evacuations of buildings or neighborhoods.**
- **An alert is sent to you based on your specified choice of communications such as voice, email, or text message methods.**
- **Create an account with your personalized contact information and map a location on JBLM to receive information. All personal information is strictly for official use only and will be kept confidential.**
- **Sign-up at <https://member.everbridge.net/index/453003085611338>**
