

Joint Base Lewis-McChord

Armed Forces Community Service (AFCS)

Welcomes

Formerly ASAP, now AFCS SAP, a JBLM AFCS program

Substance Abuse Prevention (AFCS SAP)

Substance Abuse Prevention

Provides education & early intervention to help commanders, civilian supervisors, and the JBLM community reduce lifestyle risk factors to increase healthy outcomes. We are committed to understanding our supported units and their missions, anticipating what is needed to sustain mission readiness, and proudly serving as a valued member of the Commander's battle staff.

Risk Prevention

- Substance abuse education
- Unit & individual training
- Suicide prevention training

253-967-1414

Assessment & Treatment

For substance abuse referrals, appointment scheduling, and court letters please contact the Madigan Behavioral Health Substance Use Disorder Clinical Care (SUD CC) at 253-967-2202 or 968-6765.

Civilian Services

- Employee Assistance Program (EAP)
- Resources for DA Civilians, Family Members, & Retirees
- Communication styles training
- Workplace violence prevention

253-966-4597/3551

Drug Testing

(Deterrence Program)

- Urinalysis turn-ins
- Unit Prevention Leader training
- Breathalyzers

253-967-4351/1446
