## Group Ski/Snowboard Checkout Policy

1. To qualify, a group must consist of 10 or more individuals.
2. A full roster of names (last, first in alphabetical order) and last 4 digits of Social Security numbers of individuals renting equipment **must** be provided no less than one week prior to rental date. Each request must have POC unit and contact information. Request must be made at the Northwest Adventure Center in person to ensure all information is correct.
3. Each person will pay for, pick up and be responsible for his/her own equipment.
4. A group rate does not indicate that specific equipment will be available. It secures a special equipment checkout rate for members of a group going on a particular outing. Equipment is available on a first-come, first-served basis. No equipment will be set aside for customers.
5. The group rate is \$5 off the total equipment checkout rate.
6. To ensure that you receive the appropriate discount, please inform the counter staff if you are part of a group rental.
