

## JBLM storage lot

Need to store your POV, RV or boat? The NAC has covered and uncovered storage spaces available. The storage facility is fully enclosed with a locked gate.

### Storage rental policy

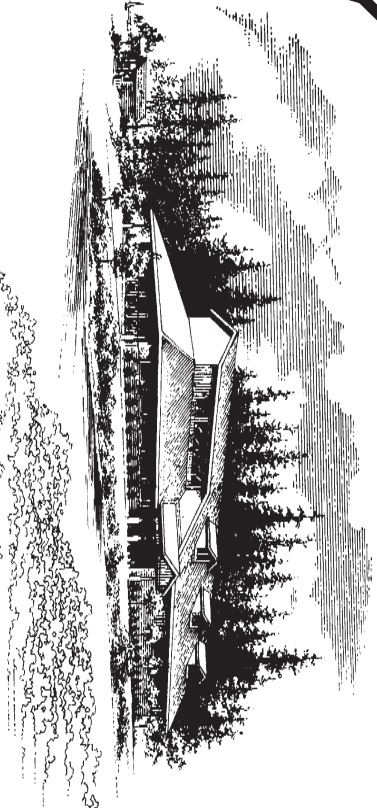

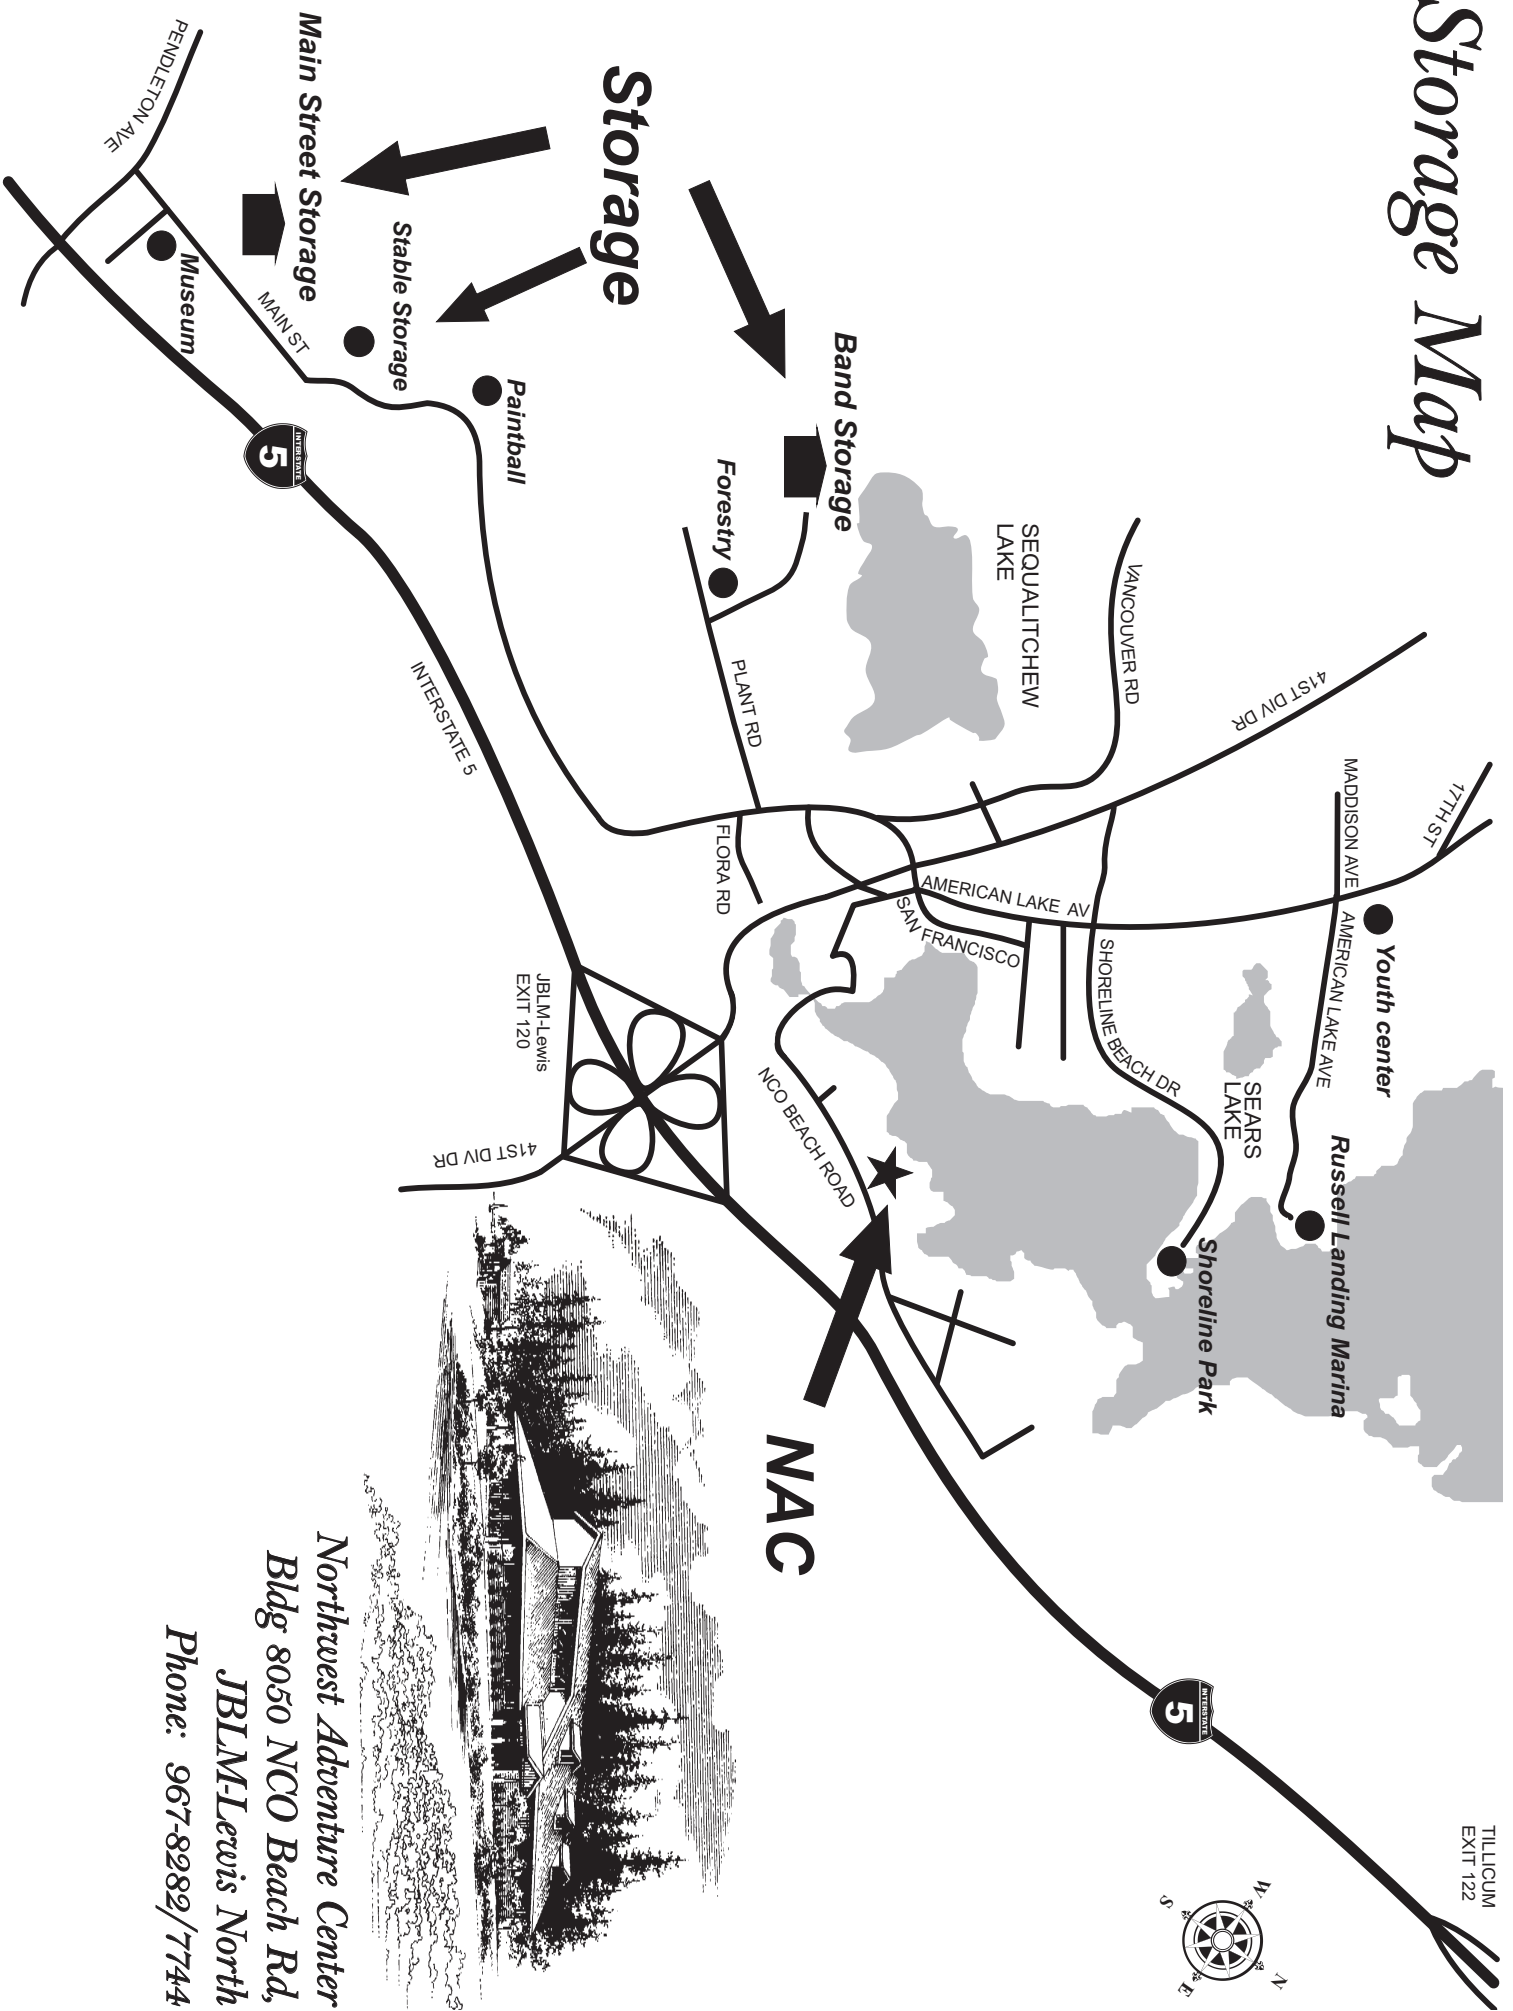

- Minimum duration for storage is one month.
- All stored items must be registered and insured.
- Advance payment of first month's payment is required. Rates are not pro-rated.
- Access to storage facility is available 24 hours a day. Upon renting storage space, all renters are issued their own individual entrance code. If payment becomes 60 days past due, the entrance code will be deleted until payment is current.
- Repair, maintenance or cleaning of storage item while in storage is not authorized.
- Stored equipment will be neat and tidy. No car parts, boxes or other items will be left on or around the stored item.
- An oil drip pan will be provided and maintained by the renter for all motorized equipment.
- Uncovered spaces will be rented in 20-foot, 30-foot and 40-foot intervals only.
- Twenty-foot covered storage is available. Each additional 10 feet of uncovered area can be authorized to allow for a maximum of 40 feet for one piece of equipment.
- All equipment stored must be mobile and all vehicles are required to have wheels.
- Customers are not permitted to sleep overnight in our storage lot. Customer will lose the privilege of using the lot if this rule is violated.
- All paperwork must be completed before we issue the lock code.
