FREE Services
for military youth at
Boys & Girls Clubs!

Times of national crisis can dramatically disrupt a military family's life. But children of military families can be a part of an organization that knows all about their needs – Boys & Girls Clubs.

Clubs have a long history of changing young lives across America. Serving some 4.6 million young people with trained, caring staff and nationally recognized programs, Boys & Girls Clubs are "The Positive Place for Kids."

A PARTNERSHIP THAT WORKS

Today, over 400 on-base military Youth Centers are Boys & Girls Club affiliates. Children of military personnel now can go to any Club in their area free of charge!

Whether on- or off-base, all Clubs offer programs designed to develop good character, build leadership and provide guidance. Kids spend time with professional staff who truly care and are vested in realizing the full potential of each young person.

And now, through a Department of Defense initiative, military family members can get free programs and services through their local Boys & Girls Clubs.

Through our military partnership, it's our way of giving something back and providing outreach for your children – in return for all you give to America.

WHAT DOES A BOYS & GIRLS CLUB OFFER?

Whether on- or off-base, the Club is a place that offers a unique and wide variety of educational, recreational, cultural and social activities for youth between the ages of 6 and 18.

Clubs nurture and enrich young lives by giving boys and girls opportunities for personal growth and achievement. A typical Club has an arts and crafts area, gymnasium, library, gamesroom and multi-purpose room. Some Clubs have swimming pools, computer learning centers, camps and outdoor play areas. All Boys & Girls Clubs are supervised by trained youth development professionals – a caring staff that gives special attention to your children!

Based on the physical, emotional, cultural and social needs and interests of young people, and recognizing developmental principles, Clubs offer diversified program activities in five areas:

- **Character and Leadership Development**
- **Education and Career Development**
- **Health and Life Skills**
- **The Arts**
- **Sports, Fitness and Recreation**

Most Clubs operate every day but Sunday – this means your kids can go every day after school and on Saturdays. At the Club, your kids will have the opportunity to participate in programs designed to meet their needs and interests. Club programs can include computer instruction, sports leagues, photography, tutoring, arts and crafts, social events and field trips.

WHERE'S THE NEAREST CLUB?

Every military Youth Center worldwide is a BGCA affiliate. Military families living off-base can find a Club by using the "Find A Club" feature on www.bgca.org/military. This tool can display up to five Clubs located closest to your family. You can also call 1-800-854-CLUB – an automated system will match your phone number to the nearest Club.

HOW DO I REDEEM THE VOUCHER?

All Boys & Girls Clubs have their doors open to youth from military families. Just present your completed voucher to front desk personnel at your local Club. Your children will be welcomed with no fee to pay!
