

Holiday Park is located in a natural setting of Douglas fir with a wide variety of vegetation and wildlife unique to the Pacific Northwest. It provides Family camping with a variety of camper and tent spaces.

ACCOMMODATIONS

Campers have sites that provide water, sewer and electricity (W/S/E) for \$25 per night (30 amp) or \$28 per night (50 amp), dry camping spots at \$15 per night and tent sites at \$12 per night; reservations can be made one year in advance.

Support facilities provide restrooms, showers, laundry with soap or bleach machine, sewage dump station, jogging track, hiking trails and grills, as well as a full range of nearby base services.

RENTALS

The Pavilion is rented on a first-come, first-served reservation basis. This enclosed structure is a double hexagon with high ceilings of natural wood and two fireplaces. It can accommodate one large party with seating for 200.

The Pavilion contains a kitchen with service windows into each area and a telephone for on-base use only (253-982-2387). An outdoor barbecue grill can also be used.

To reserve the Pavilion, come to the Holiday Park office. Reservations must be made in person and can be made up to one year in advance. For pricing, information and federal holiday reservation rules, call **253-982-2206/2303**.

Recreation facilities (play areas, an open field, outside shelters, grills, horseshoe pits and volleyball courts) are available on a first-come, first-served basis.

PARK OPERATIONS

Season of operation is year-round. The park office phone number is **253-982-5488**. Office

hours vary according to peak and nonpeak season; operational hours are posted on the office door.

The special events area is not available to the general public. It's reserved for private organizations and groups at the discretion of the Outdoor Recreation Director.

Organizations and individuals using any part of Holiday Park are responsible for implementation of base safety directives, fire standards and Dram Shop liability. Under no circumstances will minors be served or allowed to consume alcoholic beverages.

All facilities/areas in Holiday Park are used by authorized patrons and their guests at their own risk. The JBLM MWR Outdoor Recreation Division is not responsible for the theft, loss or damage to persons or property.

PARK RULES

Holiday Park quiet hours are 11 p.m.–7 a.m. No generators will be operated during these hours. In the case of a power outage, patrons are allowed to use generators during quiet hours.

Fires are permitted only in charcoal grills or camp stoves and are not to be left unattended. The cooking surfaces of barbecue grills are to be cleaned prior to leaving. Do not remove hot coals from grills. *No wood fires are permitted in the park except in enclosed chiminea or above-ground covered fire pit.*

Pets will be kept on a leash at all times. Patrons will clean up after their pets everywhere at JBLM–McChord Field, per existing base requirements, which includes Holiday Park FAMCAMP.

Patrons who are renting a space in the FAMCAMP have a two-pet limit and must register their pet's current rabies inoculation at the park office at time of initial check-in. Pets are not allowed in any Holiday Park building or playground.

The speed limit is 10 miles per hour throughout the entire park. One-way signs must be followed.

Registration and Occupancy

Reservations are accepted up to one year in advance. The total balance is due at the time of reservation. Cancellations or changes must be made 30 days prior to the day of check-in to receive a full refund. From the 30-day mark, up to seven days prior to check-in, a 75% refund will be granted. Cancellations made within seven days prior to the day of check-in will receive a 50% refund. No refunds will be made due to inclement weather. At the time of registration, patron will provide vehicle license plate information.

A copy of the registration must be displayed on the windshield of patron's RV or vehicle at all times. Patrons who occupy a campsite without payment will be asked to leave by the Park Manager.

Summer season: May 1–Sept. 30

Guests may stay in a site for a 14-day period. Patrons may not exceed 14 days per campsite. If other campsites are available on checkout day, you may move to another site for an additional 14 days. After your one extension, you may not return to the park until the winter season. At your campsite, you are only authorized your RV/camper, one camping tent and your vehicles. Additional structures are prohibited.

Winter season: Oct. 1–April 30

Guests may stay in a site for a 28-day period per calendar month. Patrons may not exceed 28 days per campsite. If other campsites are available on checkout day, you may move to another site for an additional 28 days. At your campsite, you are only authorized your RV/camper, one camping tent and your vehicles. Additional structures are prohibited.

PCS orders

Extension to the above length of stay for both seasons can be extended to a maximum of 60 days by the Director of Outdoor Recreation or the CRD Chief upon presentation of the PCS orders and a letter explaining the intended length of stay.

Unoccupied recreational vehicles may be stored in the overflow lot for no more than 31 days within a four-month period. Camping patrons may keep their extra units in the overflow for the duration of their stay.

All units stored in the overflow lot are to be charged the requisite fee(s). When all developed sites are full, campers are assigned a place in the overflow field (dry) and may sign up on the waiting list. The list is posted on the bulletin board where additional names of guests may be entered when the office is closed.

Guests are responsible for checking in with the office daily by 11 a.m. to see if they have received a W/S/E site.

Tent sites are for tent camping only, with a two-tent maximum. No sleeping in personal vehicles is allowed. Any combination of truck canopy/conversion van must be camped in either a developed or dry spot.

Limit is one camping unit and one towing vehicle or car and one EZ-Up canopy or tent. No other items allowed. Tow dollies, boats, cargo and car trailers are to be parked in the overflow parking that is available for a fee.

Safety and Cleanliness

During periods of extreme wind, heavy snow or fire hazards, special precautions or measures may be ordered by the Park Manager. In the event of hazardous conditions, all guests will comply with orders to take special precautions and/or evacuate the park.

Customer assistance is a must in maintaining a hygienic and tidy campground. If the site does not meet the standard of cleanliness, the guest who signed for the site will be subject to a \$100 clean-up fee. Bathrooms, showers and other common camp areas (including barbecue grills) will be cleaned after each use.

RV cleaning with biodegradable soap at sites is authorized with Park Manager's permission. Draining gray water is strictly prohibited. A dump station is located adjacent to the park office for both gray and black water disposal.

Further information on Holiday Park, FAMCAMP and Pavilion can be found at JBLMmwr.com under Outdoor Recreation, Adventures Unlimited.

Right of Refusal

Management reserves the right to evict or refuse entry without refund to any person who demonstrates a disregard for the rules. Patrons are provided one warning in the form of Memorandum for Record before being asked to leave the premises.
