

JOINT BASE LEWIS MCCHORD ACCESS PASS REQUEST

Installation security requires the following information for installation access. All vehicles will require proof of insurance, valid license plates and vehicle registration. All drivers and passengers over 16 will need a valid photo ID. Please list all potential visitors; sending too many names is better than not enough. Passes will be coming via email. Without your information, you will have to process through the Visitor Center. **This process can take up to two hours.**
